Senator Smoot tells us that the paniwas caused by too much prosperity. Yes, you became so rich it made you poor. Prosperity brings poor wages and bad times and starvation. Seventeen hundred voters are registered at Eureka, and while it is conceded that some of these will vote for Spry, every one is wondering who those are.

One night near the end of the session, a caucus of the Republicans was called. It was attended by twenty-one or two members. Spry was chairman. The caucus was, called to discuss the amounts to be given the different counties of the state for rocads and bridges.
